

Shared by host Gene Bailey on the Thursday, Sept. 23 edition of *FlashPoint*. This list comes from a document from the AMA: AMA COVID-19 GUIDE, as exposed on Gateway Pundit: <https://www.thegatewaypundit.com/2021/09/stunning-ama-teaching-doctors-manipulate-information-order-coerce-unvaccinated/>

## COVID-19 Language Swaps

According to a recent poll by [de Beaumont Foundation](#), the following alternative language can help mitigate perceived partisanship in COVID-19 messaging.

Instead of ...	Say ...
Lockdown	Stay-at-home order
COVID mandates, directives, controls, orders	COVID protocols
National duty	Personal responsibility
Coronavirus/COVID-19	Pandemic
Hospitalization rates	Deaths
Defeat, crush	Eliminate, eradicate
Operation warp speed	Standard process
Government	Public health agencies
Science-, medicine-, data-based	Fact-based
The consequences of not taking the vaccine	The benefits of taking it
Getting the vaccine is the right thing to do	Getting the vaccine will keep you safe
Predictability/certainty	A return to normal
Discover/create/invent	Research
The dollars spent; number of participants	A transparent, rigorous process
Security	Safety
Misled/confused about the vaccine	Skeptical/concerned about the vaccine
Historic	Advanced/groundbreaking
The world's leading experts	America's leading experts
